Headteacher's Letter

Thursday 8th October 2026

Dear parents and carers,

A huge thank you to all of our Year 11 parents and carers who attended this week's Parents' Evening. This is a particularly important point in the academic year as our Year 11 students prepare for their upcoming trial exams. Parents' Evenings provide a valuable opportunity for families and teachers to work together, share information about students' progress and identify where additional support may be helpful. As students move towards their examinations, that partnership becomes even more important. Understanding how your child is progressing, what they are doing well and where they need to focus their efforts allows home and school to provide consistent encouragement and support. We really appreciate the time parents and carers took to attend, speak with staff and engage positively in their child's education.

Thank you also to all of our Year 10 parents and carers who attended our Work Experience Evening. We hope the information provided will help students begin to think carefully about their work experience placements and the opportunities available to them. We would also like to apologise for the technical difficulties we experienced with the equipment in the hall. Unfortunately, the technology did not work as we had hoped, and we appreciate everyone's patience and understanding while we tried to resolve the issue.

We have received feedback from a number of parents regarding the behaviour of some other parents during the Work Experience Evening. We are grateful to those parents who took the time to contact us, and we feel it is important to address this with our whole community. The vast majority of parents and carers who attend school events are respectful, supportive and positive in their interactions with our staff. However, on this occasion, we were disappointed to hear reports of adults playing online games on their phones throughout the presentation, including while sitting alongside their children, as well as aggressive questioning of staff. We have also been made aware of inappropriate and expletive language being used by adults when speaking to their children about members of staff.

We understand that parents and carers may sometimes have questions, concerns or strong feelings about an issue. We absolutely want to hear those concerns and provide appropriate opportunities for them to be discussed. However, there is a clear distinction between asking challenging questions respectfully and behaving in a way that is intimidating, aggressive or disrespectful towards staff.

Our school events are attended by students, families and staff, and we expect all adults to model the behaviour we ask of our young people: respect, courtesy and professionalism. This is particularly important when our children are sitting alongside us and observing how we communicate with others.

We therefore want to make our expectations clear. At future school events, parents or carers may be asked to leave if their behaviour is disrespectful towards staff, becomes aggressive or prevents the event from taking place appropriately. This includes choosing to play online

Headteacher's Letter

Thursday 8th October 2026

games or otherwise disengage from the presentation they are clearly not listening to. We hope this will not be necessary. We value the relationship between home and school enormously and want our events to be positive opportunities for parents, carers, students and staff to work together. Thank you, as always, for your continued support and partnership.

Over the next couple of weeks, members of staff will be meeting individually with a number of students to hear about their experiences of life at Wyvern. We want to understand what students feel is working well, what they find more challenging and, importantly, what we could do to improve their experience of school.

We will be carrying out this work for a fortnight each term so that we can regularly listen to our students and monitor how their experiences develop over time. This term, we are particularly keen to hear from a wide range of students, including many of those with additional needs and those who receive Pupil Premium funding.

The information students share with us will help us identify common themes and patterns and, where appropriate, highlight priorities for improvement. In particular, we want to understand more about any barriers that may be preventing students from fully participating in lessons, getting involved in extra-curricular activities or attending school regularly. Listening to our students is an important part of ensuring that every young person feels valued, included and able to make the most of the opportunities available to them. We look forward to learning from their experiences and using their feedback to help us make Wyvern an even better place to learn.

With best wishes
Mr Rule

An Important Message re. Cycling to School

We actively encourage students to cycle to college and are pleased that many choose to do so. Cycling is a great way for students to build exercise into their day and arrive at college active and ready to learn. Secure bike sheds are available on site and are locked throughout the college day. To help keep all of our students safe, we do insist that any student cycling to college has a roadworthy bike with working brakes and lights, and wears a properly fitted helmet on their head—not on the handlebars. We appreciate parents and carers supporting us in reinforcing these simple but important safety expectations.

We do not allow students to ride E-Scooters as it is illegal for privately owned e-scooters to be ridden on pavements or roads. Further guidance on these is available here:

[Riding an electric scooter: the rules - GOV.UK](#)

We appreciate parents and carers supporting us in reinforcing these simple but important safety expectations.

IMPORTANT: Upcoming Changes to Parent Payment System

We are writing to inform you of some upcoming changes to the way parents and carers make payments for school trips, shop items and cashless catering.

We will shortly be introducing **iPayimpact** as our new parental payment system, replacing ParentMail.

From **Friday 23 October 2026**, ParentMail cashless catering accounts will no longer be available for making top-ups. From this date, all cashless catering top-ups will need to be made through iPayimpact. From **Monday, 26th October** you should receive details on how to set up your iPayimpact account and the registration codes required to add each child. We will initially be sending these to the Priority 1 contacts.

If you already use iPayimpact with another school, you do not need to set up another account, you will just add the child using the provided reference key.

We are also planning to move all other parental payments, including trips and shop items, to iPayimpact shortly afterwards. We will provide further information and guidance on this in due course.

To help prepare for the change, we recommend that you download the iPayimpact app in advance. We also suggest that you top up your child's cashless catering account before **Friday 23 October**, with enough credit to cover the start of the next half term.

Please be assured that any existing balance on your child's account will remain unchanged. This is simply a change to the way payments and top-ups are made; the catering account and till system will remain the same.

For more information : [Welcome to iPayimpact](#)

Thank you for your cooperation and understanding as we make this transition.

Local Rugby Club Opportunity - Year 8

Eastleigh Pirates rugby club in Bishopstoke is looking for Year 8 students keen to join their Under 13s team.

 **Training times:** Thurs 6.30-7.30pm and Sun 10.30am - 12.00pm

 **Location:** The Hub, Bishopstoke Road, Eastleigh, SO50 6LA

Rugby is for everyone, no matter your size, speed or experience level.

We're more than a team - we're a crew!

If you're interested in joining, please email nikkisibbons@hotmail.com

Year 11 & Year 10 Trial Exam Timetables 2026/27

Trial examination timetables for the 2026/27 academic year are now available on the College website ([**Exams and Revision - Wyvern College - Think Grow Care**](#)). We are sharing all three timetables now so that students and families can plan ahead:

- [Year 11 Trial Exams: November/December 2026](#)
- [Year 11 Trial Exams: February 2027](#)
- [Year 10 Trial Exams: May/June 2027](#)

Trial examinations are an important part of students' preparation for GCSEs. They provide an opportunity to practise examination techniques under formal conditions, using exam-board materials and past papers. The feedback students receive afterwards helps them identify their strengths and focus their revision on the areas where improvement is needed.

Year 11: November/December trials

From Tuesday 24 November to Friday 4 December, students must attend their normal Period 1–4 lessons whenever they are not sitting an examination. They may go home or use a supervised study room after their afternoon examination, or at the end of Period 4 if they do not have an afternoon examination.

Year 11: February trials

Students will attend normal lessons on Monday 22 February. From Tuesday 23 to Friday 26 February, they will be off their normal timetable to sit examinations in English, Mathematics and Science. After their second examination each day, students may go home or remain in a supervised study room to revise. They are not expected to attend Period 5.

Personalised examination timetables will be available through EduLink nearer to each examination period. We will also share further information and reminders ahead of each set of trials.

Essential information for students and parents

Both students and parents must read all of the Important Exam Information for Students and Parents section on the College website, under Curriculum → Exams and Revision ([**Exams and Revision - Wyvern College - Think Grow Care**](#)). Please do this well before the examinations, rather than simply checking the timetable. This information sets out the examination requirements and procedures that students need to understand and follow.

We ask students to take their trial examinations seriously and begin preparing early. Parents can support this by helping their child plan regular revision and arrive ready for each examination. Thank you for your support in helping students make the most of this opportunity.

Is My Child Too Ill For School?

It can be difficult to know whether your child should attend school when they have a mild illness, especially at this time of year when bugs begin to circulate!

We hope you will find the following quick reference table helpful in making these decisions:

Government Guidance: Is my Child too Ill for School?	Stay at home	Attend college	Further Guidance
Chickenpox	✓		Keep your child at home until all the spots have crusted over.
Common cold		✓	Send your child to college unless they have a fever.
Conjunctivitis		✓	Get advice from a pharmacist about how to manage.
Cough		✓	Send your child to college
Covid	✓	✓	Send to college if they have mild symptoms, such as a runny nose, sore throat, or slight cough, and feels well enough. If they feel really unwell or have a temperature stay at home. .
Ear Infection		✓	Send your child to college unless they have a high temperature or a severe pain.
Flu			
Hand, foot, mouth disease		✓	Send to college
Head lice or nits		✓	Treat the lice or nits at home
High temperature or fever	✓		Keep your child at home
Impetigo	✓		Needs anti-biotics from a GP. Can go to college 48 hours after treatment starts.
Ringworm	✓		See a pharmacist unless it's on their scalp – see a GP. Can come to college once they've started their treatment.
Scarlet Fever	✓		Needs anti-biotics from a GP. Can come to college 24 hours after starting anti-biotics.
Sore throat		✓	Send your child to college unless they have a high temperature
Threadworms		✓	Get advice from a pharmacist.
Vomiting	✓	✓	Send to college if vomiting is due to anxiety, gag reflex or a reaction to something they <u>have seen</u> , tasted or smelt. Keep at home if they also have diarrhoea due to a stomach bug – send in 48 hours after the last bout of diarrhoea.

Please Consider Our Neighbours When Parking

Unfortunately, we have recently received several complaints from local residents regarding parking behaviour at school drop-off and pick-up times, including reports of cars being left with engines running and drivers using mobile phones.

Please ensure that when parking nearby, you are considerate of our neighbours and other road users. Please park responsibly, avoid obstructing driveways or pavements, and comply with all relevant parking and road safety regulations.

Thank you for helping us maintain positive relationships with our local community.

Recruitment Opportunities at Hatchlings Childcare

Are you or someone you know looking for opportunities to work in childcare?

Hatchlings Childcare are recruiting qualified early years practitioners (Levels 2 and 3) for full and part time positions. Apprenticeship opportunities may also be available.

More information is available on the Hatchlings website below:

[Hatchlings Recruitment Page](#)

To find out more or arrange an informal chat, email nursery@hatchlings-childcare.co.uk or call **02380 603221**.

JOIN OUR DRAGON TEAM AT

HATCHLINGS CHILDCARE

We're looking for qualified early years practitioners for full and part time roles in our independent day nursery

Join a team where you can:

- Make a difference
- Support little learners
- Grow your career

Apply today and be part of something ROARSOME!

02380 603221

Music Equipment For Sale

The Music Department has had a fantastic upgrade this summer, including new carpets, furniture and keyboards/headphones. We're now offering some of our older equipment for sale, including several Yamaha 61-key keyboards.

The keyboards are in working order and include stands and power supplies. Having a keyboard at home can help students practise and develop their skills outside the classroom, supporting their learning and GCSE Music preparation.

Interested? Please contact Miss Wood at s.wood@wyvern.hants.sch.uk.

Instrumental Lessons 2026-2027 - places still available

It's not too late to sign up for lessons! We offer a wide range of instruments and singing, with free taster lessons available. Sign up via ParentMail or email s.wood@wyvern.hants.sch.uk.

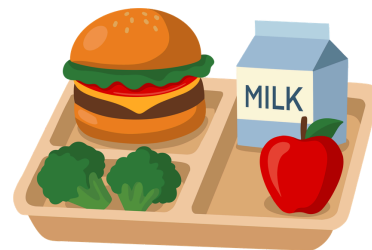

If your child is already having lessons, please check the timetable in the Music corridor and make sure they bring their instrument (or sheet music/drumsticks) to each lesson.

Lunch Money Spending Limits

Our lunch money system automatically restricts student spending to **£4 a day**.

If you would like to increase your child's spending limit, simply email **finance-office@wyvern.hants.sch.uk** to request an increase to the amount of your choice.

NHS Annual Flu Vaccination

Dear Parent/carer,

This following is sent on behalf of the NHS School Age Immunisation Service. Please direct any queries you may have regarding the vaccination directly to the immunisation team by calling 02382 318 318 or emailing hiowh.swimms@nhs.net.

Your child's annual Flu Vaccination is now due. The vaccine helps protect against flu, which can be a serious or life-threatening illness. The vaccine will help your child to build up immunity which means your child will be better able to fight off flu.

If you have already submitted a form, please ignore this message.

Follow the links below for the electronic form and information about the vaccine. Access to the form will close two working days prior to the session. If you miss the deadline for completing the electronic form, it will reopen after the school session. You will then be able to submit your response and make arrangements for your child to receive their vaccination at an alternative location.

Session date: 15th October 2026

Year Group: All

Link to form: <https://www.hiowhealthcareimmunisations.co.uk//Forms/Flu?schoolcode=SH138184>

The nasal flu vaccine contains products derived from pigs (porcine gelatine). To opt for the porcine gelatine free inactive flu injection, select NO to the nasal flu immunisation and you will be given further options. More information for parents is available from <https://www.healthforkids.co.uk/hampshire/annual-nasal-flu-vaccination-programme/> and www.nhs.uk/child-flu.

To choose YES or NO please complete the form to record your decision. Regular reminders will be sent to those that have not completed a form to ensure children do not miss their opportunity for vaccination.

From the NHS School Age Immunisation Service

Year Group Notices

Thursday 8th October 2026

Year 7 Notices

The year 7's had a fun filled day last Monday for their activities day. This day provides an excellent opportunity for students to spend some time with tutors and fellow tutees doing activities such as looking at future careers, heroes and ABL. These activities build opportunities for team building, forging new friendships and learning about different interests. When we dropped into the various sessions taking place all students looked that they were enjoying the day and making the most of this slight change to their normal schedule.

Our Adventure Based Learning (ABL) programme has started this week with 7C1. The students experienced a session of this programme during the activities day. A communication with full details will be sent out to your child's tutor group over the coming weeks. This programme runs during tutor time on Tuesdays - Friday and each tutor will have a week of this activity, next week is the turn of 7C2.

Year 8 Notices

Year 8 students have the opportunity to visit Fort Nelson Museum near Portsmouth on Fri 29th January 2027 as part of their History studies. **Places are limited, so early sign-up is encouraged!**

[Full details of this trip are available in the trip letter available here.](#)

Year 9 Notices

Year 9 continue to impress me with their positive outlook and work ethic. They have taken to their new subjects like ducks to water and are working really hard to learn the new concepts, develop their skill sets and are focusing on getting to grips with the increase in workload and expectations. There is no doubt that for all pupils the transition from key stage 3 to 4 is a tricky one to navigate but I am immensely proud of all of them. If you feel that your child is struggling, then please reach out to individual subject staff and/or their tutor for help.

Pupils with most points for 'staying work focused' so far this term are Avaline (H2), Sophie (G1) and Bella (C2). Topping the achievement points so far this term are 9H2 with 3152 points, closely followed by 9P1 and 9G2 nipping at their heels.

Year 10 Notices

No notices this week.

Year 11 Notices

There are still spaces available at our Year 11 Revision Information Evening on Wednesday 14th October. To book your place, log in to ParentMail and complete the form titled Year 11 Revision Information Evening 2026. If you are unable to attend, please don't worry - all resources shared on the night will be shared online afterwards.
