Headteacher's Letter

Thursday 15th October 2026

Dear parents and carers,

Thank you to those year 11 parents who came to the revision evening yesterday, where Mr Emeny presented our new approach to year 11 revision, using the knowledge organisers and emphasising the crucial role that parents and carers can play in helping students use these effectively.

Friday was World Mental Health Day or Hello Yellow Day, a time for us to reflect on the importance of good mental health and how we can achieve it. Research by the charity Mind found that 1 in 4 people - that's 25% - will experience a mental health problem of some kind each year in England and that 1 in 6 adults experience a mental health issue in any given week in England. **1 in 5 secondary school students - 20% -** suffer poor mental health each year. The research shows that children will often struggle with anxiety, depression, burn out, trauma, loneliness, self-hate and feelings of anger, guilt or shame that they struggle to manage.

For good physical health, the NHS recommends 5 portions of fresh fruit or vegetables every day to get the nutrients our bodies need to be healthy, but the NHS also recommends that we do 5 activities to get the “happy hormones” that we need for good mental health: **dopamine, endorphins, serotonin and oxytocin**. Students in years 8-11 have had assemblies on these 4 chemicals and how they can help prevent poor mental health and how they can be part of the response to tackling mental health problems.

Dopamine, the “feel good hormone”, plays a significant role in helping students feel motivated, determined, concentrate and focus. **Serotonin** regulates mood, sleep, energy, emotions and the nervous system. **Endorphins** are mood booster and pain killers, reducing anxiety, worry and nervousness and helping students feel relaxed, confident and calmer. **Oxytocin** promotes feelings of trust, empathy, compassion and connection to others. When students make healthy lifestyle choices, their bodies will produce the 4 happy hormones and it is the NHS's five “winning ways to wellbeing” that define what this healthy lifestyle is:

WINNING WAYS TO WELLBEING

(cont. on next page)

Headteacher's Letter

Thursday 15th October 2026

Our advice to students therefore is to: **exercise, socialise, meditate, eat well, sleep, go outside into the daylight, breathe deeply, laugh, help people, perform music, be creative, spend time on hobbies and interests, learn new things, be active.** Many people ask why mental health problems were so rare, so unheard of, in children for decades and then why, in the last 15 years we have seen so many mental health problems in young people. There are lots of reasons for that and of course one is that there was a stigma to talking about mental health. But one of the main reasons is that children had different lifestyles then than they do now. The activities they did more of back then, which children do a lot less of now, actually make the body produce the 4 happy hormones that create good mental health. In recent newsletters I have shared with you details of the extra-curricular and super-curricular activities that we offer at Wyvern, which provide the opportunity for students to do things that will involve them in activities that boost the 4 happy hormones.

With best wishes,
Mr Rule

Updated Information on Cycling to School

We apologise that there has been some confusion following last week's message about cycling to school. Some students were set sanctions this week for arriving without lights on their bikes. **This was a misunderstanding and these sanctions have now been removed.**

However, after we return from half term in November, sanctions will be set for students arriving on bikes without appropriate safety equipment. Please ensure that any necessary equipment is obtained and fitted over half term. This is especially important as we head into the winter months when students are more likely to be cycling in dim lighting conditions.

We actively encourage students to cycle to college and are pleased that many choose to do so. Cycling is a great way for students to build exercise into their day and arrive at college active and ready to learn. Secure bike sheds are available on site and are locked throughout the college day. **To help keep all of our students safe, we do insist that any student cycling to college has a roadworthy bike with working brakes and lights, and wears a properly fitted helmet on their head—not on the handlebars.**

We do not allow students to ride E-Scooters as it is illegal for privately owned e-scooters to be ridden on pavements or roads. Further guidance on these is available here:

[Riding an electric scooter: the rules - GOV.UK](#)

We appreciate parents and carers supporting us in reinforcing these simple but important safety expectations.

Many thanks,
Mr Rule and Mrs Goss

Charity Walk Success - Well Done Freya and Paige!

A huge congratulations to Freya and Paige in Year 9, who took part in the 10k Shine Night Walk for Cancer Research UK last Friday! The girls raised an amazing **£820** for Cancer Research UK, and are hoping to enter more charity events over the next year to help raise even more money for this worthy cause.

We are extremely proud to see our students doing such impressive things for charity!

Lost Property - Pencil Cases and Water Bottles

We have a large collection of pencil cases and water bottles in the lost property at Reception.

Students are welcome to come to Reception before and after school and during break times to check if their lost belongings have made it to us!

School Events

Thursday 15th October 2026

Dress Down Day - Nov 20th

Friday 20th November will be a Dress Down Day in aid of Eastleigh Youth Counselling, marking the end of Anti-Bullying Week 2026.

KIND PEOPLE ★ BRIGHTER FUTURES

Come to college in your own clothes and help us raise money for a local mental health charity!

£1 donation to be paid via ParentMail

PLEASE NOTE: If you previously paid for the cancelled dress down day last year, your payment has been rolled over. You do not need to pay again.

Prom Shop - Oct 27th

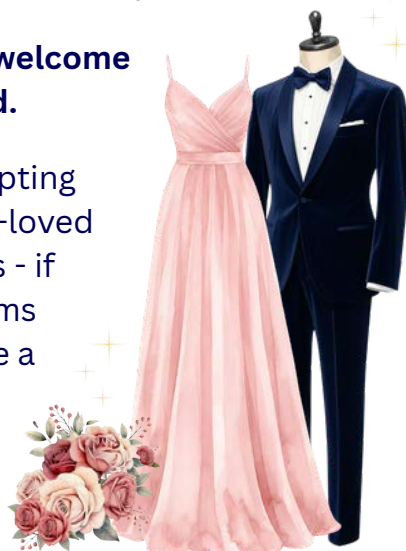

**Tues 27th October
Wyvern Reception
From 10:00 to 12:00**

Find your perfect prom look!

A selection of good quality pre-loved dresses and suits will be available at the Wyvern Prom Shop in the main Reception area from 10:00 to 12:00 on Tuesday 27th October.

**Cash donations welcome
but not expected.**

We are also accepting donations of pre-loved dresses and suits - if you have any items you'd love to give a new lease of life, please let Mrs Emeny know!

Young Writers Writing Competition - Ghost Stories 2026

Everyone loves a ghost story! A bit of a scare, a nervous laugh, the suspense...

We're inviting young writers of all ages to write their own spook-tacular short story in up to 250 words.

[Click here for more details.](#)

If you'd like to take part, please hand your story to Ms Bartlett by the **2nd of November**.

House points will be given for all entries!

Upcoming Changes to Parent Payment System

We are writing to inform you of some upcoming changes to the way parents and carers make payments for school trips, shop items and cashless catering.

We will shortly be introducing **iPayimpact** as our new parental payment system, replacing ParentMail.

From **Friday 23 October 2026**, ParentMail cashless catering accounts will no longer be available for making top-ups. From this date, all cashless catering top-ups will need to be made through iPayimpact. From **Monday, 26th October** you should receive details on how to set up your iPayimpact account and the registration codes required to add each child. We will initially be sending these to the Priority 1 contacts.

If you already use iPayimpact with another school, you do not need to set up another account, you will just add the child using the provided reference key.

We are also planning to move all other parental payments, including trips and shop items, to iPayimpact shortly afterwards. We will provide further information and guidance on this in due course.

To help prepare for the change, we recommend that you download the iPayimpact app in advance. We also suggest that you top up your child's cashless catering account before **Friday 23 October**, with enough credit to cover the start of the next half term.

Please be assured that any existing balance on your child's account will remain unchanged. This is simply a change to the way payments and top-ups are made; the catering account and till system will remain the same.

For more information : [Welcome to iPayimpact](#)

Thank you for your cooperation and understanding as we make this transition.

Local Rugby Club Opportunity - Year 8

Eastleigh Pirates rugby club in Bishopstoke is looking for Year 8 students keen to join their Under 13s team.

 **Training times:** Thurs 6.30-7.30pm and Sun 10.30am - 12.00pm

 **Location:** The Hub, Bishopstoke Road, Eastleigh, SO50 6LA

Rugby is for everyone, no matter your size, speed or experience level.

We're more than a team - we're a crew!

If you're interested in joining, please email nikkisibbons@hotmail.com

Year 11 Revision Information Evening

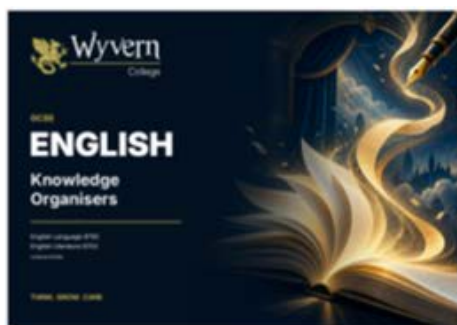

Thank you to the parents and carers who joined us on Wednesday 14 October for our Year 11 revision information evening, and to the staff who shared their guidance. The evening focused on how families can help students prepare calmly and use their revision time well.

Our [Exams and Revision page](#) is the central hub for all exam and revision information. Please bookmark it and return regularly for timetables, free knowledge organisers, the how-to video, the revision planner, candidate guidance and wellbeing resources.

Across the sessions, the message was to start now with manageable tasks. Agree a realistic plan, practise using the Knowledge Organiser books your child has been given to recall knowledge using Look, Cover, Write, Check, revisit it after a gap and then apply it in questions. Teacher feedback helps students choose what to work on next. Parents can encourage, organise and quiz without needing to know the subject content.

English revision should include both Language and Literature, Maths students will move to weekly homework practice papers after October half term, and Science students should use the resources for their correct course and tier. Protect sleep and breaks, check equipment early and contact us if access to resources or worries about revision are creating difficulties. **The main written trials run from 24 November to 4 December 2026**, following the INSET day on 23 November. Please check the hub and your child's personal timetable for all assessments and instructions.

For the detailed advice from each session, please refer to the resource pack which is [now available to view online here](#). It includes the presentations and handouts, with clickable contents and return links to help you find the relevant section. These resources are for all Year 11 families, including those unable to attend.

Year 11 & Year 10 Trial Exam Timetables 2026/27

Trial examination timetables for the 2026/27 academic year are now available on the College website ([Exams and Revision - Wyvern College - Think Grow Care](#)). We are sharing all three timetables now so that students and families can plan ahead:

- [Year 11 Trial Exams: November/December 2026](#)
- [Year 11 Trial Exams: February 2027](#)
- [Year 10 Trial Exams: May/June 2027](#)

Trial examinations are an important part of students' preparation for GCSEs. They provide an opportunity to practise examination techniques under formal conditions, using exam-board materials and past papers. The feedback students receive afterwards helps them identify their strengths and focus their revision on the areas where improvement is needed.

Year 11: November/December trials

From Tuesday 24 November to Friday 4 December, students must attend their normal Period 1–4 lessons whenever they are not sitting an examination. They may go home or use a supervised study room after their afternoon examination, or at the end of Period 4 if they do not have an afternoon examination.

Year 11: February trials

Students will attend normal lessons on Monday 22 February. From Tuesday 23 to Friday 26 February, they will be off their normal timetable to sit examinations in English, Mathematics and Science. After their second examination each day, students may go home or remain in a supervised study room to revise. They are not expected to attend Period 5.

Personalised examination timetables will be available through EduLink nearer to each examination period. We will also share further information and reminders ahead of each set of trials.

Essential information for students and parents

Both students and parents must read all of the Important Exam Information for Students and Parents section on the College website, under Curriculum → Exams and Revision ([Exams and Revision - Wyvern College - Think Grow Care](#)). Please do this well before the examinations, rather than simply checking the timetable. This information sets out the examination requirements and procedures that students need to understand and follow.

We ask students to take their trial examinations seriously and begin preparing early. Parents can support this by helping their child plan regular revision and arrive ready for each examination. Thank you for your support in helping students make the most of this opportunity.

Recruitment Opportunities at Hatchlings Childcare

**JOIN OUR
DRAGON TEAM AT**

**HATCHLINGS
CHILDCARE**

We're looking for qualified early years practitioners for full and part time roles in our independent day nursery

Join a team where you can:

- Make a difference
- Support little learners
- Grow your career

Apply today and be part of something **ROARSOME!**

02380 603221
www.hatchlings-childcare.co.uk

Are you or someone you know looking for opportunities to work in childcare?

Hatchlings Childcare are recruiting qualified early years practitioners (Levels 2 and 3) for full and part time positions. Apprenticeship opportunities may also be available.

More information is available on the Hatchlings website below:

[Hatchlings Recruitment Page](#)

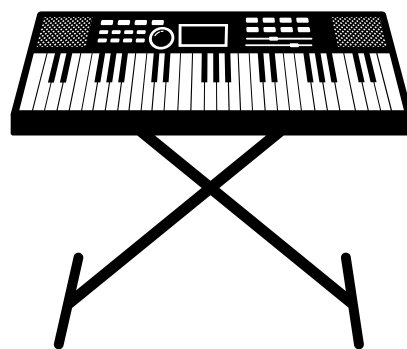

To find out more or arrange an informal chat, email nursery@hatchlings-childcare.co.uk or call **02380 603221**.

Music Equipment For Sale

The Music Department has had a fantastic upgrade this summer, including new carpets, furniture and keyboards/headphones. We're now offering some of our older equipment for sale, including several Yamaha 61-key keyboards.

The keyboards are in working order and include stands and power supplies. Having a keyboard at home can help students practise and develop their skills outside the classroom, supporting their learning and GCSE Music preparation.

Interested? Please contact Miss Wood at s.wood@wyvern.hants.sch.uk.

Instrumental Lessons 2026-2027 - places still available

It's not too late to sign up for lessons! We offer a wide range of instruments and singing, with free taster lessons available. Sign up via ParentMail or email s.wood@wyvern.hants.sch.uk.

If your child is already having lessons, please check the timetable in the Music corridor and make sure they bring their instrument (or sheet music/drumsticks) to each lesson.

Lunch Money Spending Limits

Our lunch money system automatically restricts student spending to **£4 a day**.

If you would like to increase your child's spending limit, simply email finance-office@wyvern.hants.sch.uk to request an increase to the amount of your choice.

Year 9 & 10 Battlefields Trip

The History Department is pleased to announce the GCSE Trip to Normandy in 2027 for Year 9 and Year 10 History students.

We will be visiting Ypres, the Somme and other key First World War battlefield sites and museums. The trip will run from 7th – 9th July, 2027. Students will be staying in a hotel based around Ypres. The trip will be beneficial for students studying GCSE History as they will be able to examine the significance of the First World War and developments in battlefield medicine. The trip will also allow students to put one of the twentieth century's most important events into historical context as well as give them a chance to take part in a poignant moment of reflection at the Menin Gate.

For more information [please read the letter here](#).

Year 7 Information Evening - Weds 21st Oct

We are pleased to invite you to an information evening dedicated to discussing the successful start of the new term for our Year 7 students, this will be held on Wednesday 21st October from 5.30-6.30pm in the main hall. This event will provide an opportunity for you to hear more about the Wyvern curriculum, common concerns we are seeing in Year 7 group and how we can tackle these, as well as super curriculum and reporting systems.

We look forward to seeing you there and working together to ensure a positive and enriching experience for our students.

Community Events

Thursday 15th October 2026

Scarlett's Smiles - free charity tickets to trampoline park

Scarlett's Smiles is a charity providing discounted family activities for children in a variety of challenging circumstances, including those with family members with terminal illnesses or long term medical conditions, children in care, young carers and those affected by domestic abuse, traumatic loss or separation.

They are currently giving away over 600 **free** tickets for a 2 hour jump session at Atmosphere Trampoline Park in Basingstoke between now and the end of the year for children who meet the criteria.

If your family meets any of these criteria, you can complete the form below to apply for your tickets:

[Scarlett's Smiles Booking Form](#)

Autism Workshop for Parents - Winchester, 25th Nov 2026

This popular workshop will provide you with an insight into autism and how it affects your child, providing you with a range of practical strategies to support your child in the home. The course will cover an introduction to autism, positive behaviour management, and communication.

Wednesday 25th November, 10.00am - 2.30pm

Oliver's Battery School, Austen Avenue, Winchester, SO22 4HP - parking available on site
Led by Carson Elday (Osborne School Outreach Service) and Laura Watts (Shepherds Down Outreach Service)

Free of charge - refreshments provided but please bring a packed lunch

To book your place please contact **Osborne School Office** by emailing admin@osborne.hants.sch.uk or calling **01962 854537**.

Places are limited and will sell out quickly, so don't delay!

ADHD
INFORMATION
EVENING
for Parents & Carers

with
KATE LOCKE
QUALIFIED ADHD COACH &
COMPLEX BEHAVIOUR LEAD
NOVEMBER 11 - 6:30PM

Understanding the ADHD Brain - Parent Information Evening - 11th November

Join us for an informative evening with Kate Locke, an experienced educator, qualified ADHD coach, and Complex Behaviour Lead at a large school.

Whether your child has a formal ADHD diagnosis, is on a waiting list, or you simply have questions about ADHD, this evening is for you.

Year 10 Work Experience

Dear Year 10 Parents/Carers,

Thank you for all the Work Experience consent forms completed so far. If you have not yet completed yours, please ensure this is done before **Friday, 6th November**. These can be found on Edulink under Forms.

Once the consent form has been completed, you can choose a placement on the EBP site and apply with your child, or complete an own placement form and drop this back into the Careers office.

All work experience information, including the Work Experience Pack, can be accessed via the Noticeboard section on Edulink.

Kind Regards
Mrs Gough

SLTworkexperience@uhs.nhs.uk

Year Group Notices

Thursday 15th October 2026

Year 7 Notices

Our Adventure Based Learning (ABL) programme has started this week with 7C1. The students experienced a session of this programme during the activities day. A communication with full details will be sent out to your child's tutor group over the coming weeks. This programme runs during tutor time on Tuesdays - Friday and each tutor will have a week of this activity, next week is the turn of 7C2.

Year 8 Notices

Year 8 students have the opportunity to visit Fort Nelson Museum near Portsmouth on Fri 29th January 2027 as part of their History studies. **Places are limited, so early sign-up is encouraged!**

[Full details of this trip are available in the trip letter available here.](#)

Year 9 Notices

This week the pupils had an assembly led by Mr Rule looking at the topic of friendship - being a strong friend and not a weak friend. He used analogies regarding having courage to dissuade poor decision making, being direct when delivering messages that might not be well received, being loyal, supportive and kind. I genuinely feel that, for the most part, Year 9 has a culture which echoes these sentiments. I am always heartened that when there are situations that need investigating, where sometimes pupils have got it wrong, that their friends will be honest in recounting events, will encourage others to make the right decisions in reporting concerns and will support and show kindness others. The pupils that have achieved the highest achievement points for the kindness and helping others are **Livvie** (H2), **Logan** (H1), **Reuben** (G2) and **Harry** (G2).

Just a reminder that next Friday is the final cut off point for any pupil who wishes to change their option choices, there can be no further movements after this time.

Please can I again request support in monitoring your child's uniform when they leave the house. We are experiencing an increasing number of young ladies with very long fake lashes, false nails and skirts that are far too short. The POW ticks will continue to go onto the system and the sanctions will continue to be set, but this a cycle that I really do want to break and need your support in reinforcing our key uniform messages please.

Year 10 Notices

No notices this week.

Year 11 Notices

Thank you to those who attended the Year 11 Revision Information Evening yesterday. For those who were unable to attend, the resources from the evening will shortly be made available on our website. An email will be sent with more information once this becomes available.
