Dear parents and carers,

Punctuality Focus – Changes Coming After Half-Term

From the first week back after February half-term, we will be making some important changes to how we address punctuality at Wyvern.

At present, we are seeing around 1,200 lates each week across the college – to either registration or lessons. If each of those lates is just five minutes, it adds up to 100 hours of lost learning time every single week. It's a problem we are determined to tackle, and we are asking for your support.

From half-term onwards, we will be lowering the threshold at which punctuality sanctions are applied:

- 3–4 lates in a week will now result in a 30-minute detention
- 5–9 lates will trigger a 75-minute detention
- 10 or more lates will lead to an IER sanction (Internal Exclusion Room for the day, plus a 75-minute after-school detention)

We will also begin placing students who are repeatedly late over a sustained period onto our Truancy Consequences Pathway.

However, this is not just about sanctions. We are also recognising and rewarding excellent punctuality:

- Students in Years 7–10 who achieve 97%+ punctuality will meet the punctuality part of the selection criteria to be invited to join our Paulton's Park Praise Trips later this year
- Any student who achieves 100% punctuality in a week will receive a P1 reward point, which tutors are actively celebrating during tutor time

Our tutors will be leading conversations with students after half-term to reinforce these expectations, and to provide pastoral support where lateness is an ongoing issue. We know that some students face genuine challenges, and where this is the case, we are always happy to help problem-solve.

We'd be grateful if you could reinforce these messages at home:

- Talk to your child about why punctuality matters – in school, but also in life
- Encourage routines that help them be on time: packing bags the night before, setting multiple alarms, and aiming to be early rather than just on time
- Reiterate that being on time is a basic life skill – one that employers, colleges, and universities rightly expect

As a reminder, every half-term you receive an Absence Report for your child which includes a table showing the number of times they were late to registration and lessons. In the most recent report, we included the college-wide average, so you can compare your child's punctuality in context.

This is a whole-college effort, and we're grateful for the role you play in helping us embed these habits. We'll monitor the impact of these changes over the coming weeks and hope to be able to celebrate improvements in our punctuality data by the end of February.

Thank you for your ongoing support.

Deputy Headteacher

WELLBEING, SAFETY & SUPPORT

CAN WE REMIND ALL PARENTS/CARERS THAT WE ARE A NUT FREE SCHOOL.

PARENT AUTISM WORKSHOP

Laura Watts from Shepherd's Down and I will be holding another Parent workshop on autism on Tuesday 10th March at Shepherd's Down School. I have attached a flyer to send out to parents. It is important to note that parents need to contact Osborne to book a place even though the training will take place at Shepherd's Down.

Please note that these workshops tend to fill up very fast and we work on a first come first served basis. Sometimes parents contact us and are upset that they have not got a place, saying that their schools have only just sent out the flyer. We also tend to have a very high rate of people who sign up and then do not turn up. We tend to overbook because of this, but it still often leads to places being wasted. As such, please encourage parents to only book a place if they are going to use it.

Festival of the Young Composer

Ex-student Lola entered the Festival of Young Composers and took part in the live adjudication in Petersfield on Sunday 8th February. She performed in front of a live audience and a panel of expert composers. After performing her original song 'Wasn't Love' she had a discussion with the judges about her songwriting process and was given some excellent feedback. They complimented Lola on her interesting lyric-writing, her effective chord-writing and melodies. They gave her some constructive feedback on how to take her songs to the next level. Lola received a certificate for taking part and this was a fantastic experience for her.

What a fabulous end to miserable and wet January we have had!

I hope you were all fortunate enough to have been able to see the school's production of Charlie and the Chocolate Factory. Mrs Munday and I were absolutely blown away by the awesome acting, singing and dancing that was presented before us. We were like proud parents watching our year eight children sparkle under the lights and were dazzled by their sheer enthusiasm and obvious love of performing. A huge well done to all of the year eight family who were involved either on stage performing or behind the scenes working away to make sure that everything ran smoothly. We have to give a special mention to our very own Charlie Buckett - Jemima. What an awesome talent she is and definitely one to watch for in the future.

Last week we also held our termly Praise Breakfast where we celebrated and congratulated the children who are currently leading the way with the highest PRIDe scores. They were treated to a multitude of breakfast pastries, hot chocolate with all of the trimmings and a chance to sit and chat with their peers. It is always lovely to take the time to say well done and to officially recognise their achievements.

We also have our latest inductee into the P3 Hall of Fame - well done to Tate Buckland. Below is the comment entered by his class teacher:

Well done on an outstanding piece of writing! This level of progress has been achieved through consistent hard work and focus in every lesson. You always engage, contribute, ask thoughtful questions, and act carefully on feedback, showing a clear determination to improve. Your work on Macbeth's letter demonstrates a strong understanding of Macbeth's character and the plot of the play, as well as resilience and ambition. You have worked hard to exceed your targets. Keep aiming high - well done!

On Tuesday we held our Options Information Evening and it was wonderful to see so many parents and pupils in attendance - record numbers I believe. Hopefully this event proved to be useful in helping to explain our process and provided both you and your child with the opportunity to explore the subjects available. As you witnessed firsthand, there are so many subjects to choose from, and Wyvern are proud of the curriculum breadth that we can offer. Please continue to encourage your son/daughter to keep having those conversations with their teaching staff so that they can make those all-important informed choices. The next key day in regard to this process is Year 8 Parents Evening on Thursday 26th February with booking slots opening today.
