

Fundraising Project Seating & Canopies

The Friends of Wyvern PTA at Wyvern College are on a mission, and we need your help! We're raising funds to create a better outdoor experience for our students by installing more seating and canopies around the school site. Read on to find out what we're up to, who we are, and how you can join us in making a difference.

What Are We Fundraising For?

Imagine your child enjoying lunch outdoors with friends, shaded from the sun or sheltered from the rain, relaxing on comfy new seating. That's the vision driving our latest fundraising project! At Wyvern College, we want to enhance the school grounds by adding more seating areas and canopies. These additions will provide practical, all-weather spaces for students to socialise, study, or simply unwind during breaks. Every penny we raise will go towards making our school a more enjoyable and comfortable place for our kids. Let's build a legacy of community and comfort together!

Indicative designs of canopies that will keep our students dry on wet breaks and cool on sunny ones.

Who Are Friends of Wyvern?

We're the Friends of Wyvern PTA—a dedicated team of parents, carers, student, ex-students and staff working hand-in-hand to support Wyvern College. Our goal? To raise funds that enrich the school experience for every student. From hosting fun events to rallying the community, we're all about bringing people together to make a positive impact. We've helped fund resources and projects that benefit the whole school, and now we're setting our sights on transforming the outdoor spaces. We're proud to be part of the Wyvern family—and we'd love for you to join us!
