

Saturday / Evening Revision Sessions 2026

We are pleased to launch the additional Evening and Saturday revision sessions for Yr11 students. Please [click here to view](#) which sessions are being offered, these are in addition to the regular period 6 lessons which run each week.

This information will be shared with Yr11 students in assembly on Friday 27th March and we will be encouraging them to attend should they wish to do so.

The additional evening and Saturday sessions have proved popular in the past and some of them are capped at a certain number, therefore places will be issued on first come first served basis. That said, these sessions are not for everyone, and many students may prefer their own independent revision outside school hours.

As these sessions are run over and above contracted time, we do pay staff for running the sessions, and we charge to cover some of the costs. Sessions in the evenings are £5 per session, and Saturdays are £10 per session.

I will make it clear to students that we do not want them to miss out for financial reasons and if this is the case, please do contact me directly, in confidence, so I can make sure this is not an issue. s.stocks@wyvern.hants.sch.uk

In most cases the sessions are open to all students who study the course, and some sessions will be invite only, more targeted to particular students. Students can speak to their class teacher about if they wish to be invited.

If you would like your son/daughter to attend, payment can be made via Parent mail. If your child is registered with us for Pupil Premium / Free School Meals, please e-mail finance-office@wyvern.hants.sch.uk with the session/s that you choose and there will not be a charge.

We will make all sessions live from Friday 27th March at 9.00am

Any queries around these sessions please do contact me.

Mr Stocks
