

# Y10 Exams – Mathematics

Y10 exams for Maths consists of 3 papers:

Paper 1 - Non-calculator, Tuesday 9<sup>th</sup> June (AM)

Paper 2 – Calculator, Tuesday 16<sup>th</sup> June (PM)

Paper 3 – Calculator, Friday 19<sup>th</sup> June (PM)

Unlike many subjects any topic can come up in any of the papers, so the revision list is basically everything!

Recommended revision guides, workbooks and postcards can be purchased from the Finance Office or using our online payment system.

## Regular Action Points to Help Raise Achievement

- Correct all assessment papers (including topic tests) in green pen.
- Use the AFL sheets, identify topics for revision (see table overleaf for a list of clips to help with this).
- Watch Sparx Maths videos and complete interactive questions on these topics to check understanding, Corbett Maths videos are also useful.
- Come to lessons ready to learn and fully equipped with the same equipment you will have in your exam.
- Engage in lessons, show enthusiasm for learning, demonstrate a real desire to improve and achieve, respect the learning of others.
- Set up a group to help each other online.

Class teachers will also provide a hard copy of the following revision booklet prior to May half term:
