IMPORTANT Do's & Don'ts

DO get a good night's sleep and eat breakfast.

A good hearty breakfast will give you the energy you'll need for the day ahead..

DO ensure you go to the toilet before you go to your exam venue.

It disrupts other candidates if you have to leave the venue to go to the toilet

DO NOT bring your mobile phone to your exam.

Even if it's in your pocket switched off, it still contravenes the JCQ rules and **will** lead to disqualification

IMPORTANT Do's & Don'ts

DO bring the correct equipment to each exam.

Check 'A Guide for Students & Parents for GCSE Examinations'.
A copy is in tutor rooms / on the website / on Edulink.
Clear pencil cases ONLY. BLACK pens.

DO check your timetable for exam venue/seat.

Check your Edulink account
Ensure you arrive 10 mins before the advertised start time.

DO NOT bring any revision notes into the exam.

Your side blazer pockets should empty.
Your timetable maybe kept in your inside blazer pocket.
Only bring a bag if you have nowhere else to store it

IMPORTANT Do's & Don'ts

DO have all items out of pockets when entering your exam venue.

Do not have any un-necessary metal items in your pockets that will be detected and may delay the start of the exam.

DO enter your legal name on your exam paper.

Make sure you enter your full name

i.e. William instead of Will

This is the name stated on your candidate card on the desk

Also check to see if you need to sign your exam paper, some exam boards require this (AQA for instance)

IMPORTANT Do's & Don'ts

DO NOT enter your teachers name at the top of your exam paper or switch to purple pen.

DO remember to sign your exam paper if it asks you to do so

DO NOT have any writing on your hands

DO NOT access any unauthorised programmes if you are using a pc/laptop.

This is malpractice and will be reported to the exam board.

IMPORTANT Do's & Don'ts

DO be considerate to your peers & exam staff.

Allow your friends the best opportunity to do well in their exam. No distractions.

Respect your invigilator, they are there to ensure you are given the best opportunity to do well in your exam.

DO ask your invigilator if you need help.

Invigilators are there to assist and help you whilst also ensuring the rules are upheld.

Do not be embarrassed to raise your hand.

What happens in the next few weeks?

Do we get study leave?

Simple answer = **NO!**

- Art & Photography have now finished....

We aim to retain students on a timetable during their exam period to ensure:

- 1. Students receive carefully planned, and well sequenced, exam revision sessions**
- 2. Revision of content which is focussed for exams this year**
- 3. Guidance on exam technique and exam strategy such as time management**
- 4. Teachers can respond to questions and issues raised by individual students**
- 5. Students can 'offload' some of their worries and anxieties to their teachers or pastoral support colleagues**
- 6. Spend some down time relaxing with their friends and peers**
- 7. Pass on important information via tutor time**
- 8. Maintain a good attendance percentage (study leave is unauthorised absence)**
