Staff

Parents

Students

Alumni

Community

Business

A charity with parents, staff, students and alumni working together to
**enhance the experience, enjoyment, achievement and
opportunities** for all Wyvern College students

Current fundraising projects

CANOPIES & SEATING PROJECT

The most popular request put forward by students was for more waterproof outside canopies and extra seating, allowing them to be outside during wet breaks and under shade on hot sunny days.

The Friends of Wyvern aim to raise funds to landscape areas around the college to provide these facilities for our students.

Here are some photos of the kind of thing we have in mind.

CLASS SETS OF LAPTOPS PROJECT

We are fundraising to purchase new class sets of laptops to give Wyvern College students access to the latest IT facilities in their lessons. Class sets of laptops will be bookable by all teachers in the college for use in their lessons.

Whilst the school already has a rolling programme of IT equipment replacement, the class sets of laptops we raise funds for will allow us to purchase higher quality, faster, more durable equipment.

Each class set of 30 laptops will cost approx. £14k.

FOOD EQUIPMENT PROJECT

We are fundraising to buy high quality new sets of handheld food mixers, food processors and class sets of saucepans.

Food technology is studied by all students in years 7 & 8 and the Key Stage 4 courses GCSE Food Preparation and Nutrition & Catering and Hospitality continue to grow in popularity.

Approx £3.2k will purchase all the equipment needed.
