

A MESSAGE FROM PETER SYMONDS COLLEGE

TO ALL YEAR 10 STUDENTS

We hope you're well and are managing to work from home as best you can. It's been an unusual time for everyone and we're really sorry that we can't deliver this information personally.

We had hoped to be able to run our Open Evenings this term but we've extended our October Open Evenings to run across three nights and have attached an Open Evening invitation for 20/21/22 October from 5.30–8.30pm. We'd love to see you then!

In the meantime, you can access information on all of our courses by going to www.psc.ac.uk/courses. We offer over 50 different options, both A level and vocational.

You might be surprised by the different study choices we offer – there are lots of new and exciting opportunities to challenge you!

For lots more information about us, please feel free to visit the College website at www.psc.ac.uk.

Our 2021 applications open on 14 Sept via www.psc.ac.uk/apply and our deadline is 14 Dec – so you don't need to think about applying until you start Year 11.

Until we are able to meet you at our Open Evenings, below are a few links for you to look at, which will give you a bit of a flavour of life at Peter Symonds College.

Look after yourselves and we look forward to meeting you soon.

SPORTS TEAMS

PETER SYMONDS COLLEGE
SUMMER TERM 2020
ISSUE 1

SPORTING SUCCESS

EVERYTHING YOU NEED TO KNOW ABOUT SPORT

At Peter Symonds we offer over 32 teams in 18 different sports! For a bit more information on our sporting achievements, please go to www.psc.ac.uk/ec-sport

New Teams this year include Golf and Futsal. As well as team training we also offer personalised gym programmes through our highly qualified Gym Supervisor!

Peter Symonds Sports Teams are successful in regional and national competitions. We regularly take a large team to the AoC National Championships in Nottingham where we compete against the strongest colleges in the country in various different sports. Some of our sports teams, such as hockey, rugby and tennis, compete at the highest level in the country so only accept players who have competed in their chosen sport before. However, we also have teams who take on players are novices, such as women's rugby, cheerleading and volleyball. If you have any questions regarding team sports and trials please contact Sam Jones: sjones@psc.ac.uk
