Dear Parents/ Carers

Re. QR Code Bus Passes

QR code bus passes have been implemented by Hampshire County Council, which now replace the old bus passes on some routes into school. You will have been notified by the Council if your child's route is included in the QR code bus pass roll out. The route with QR code passes from September to Wyvern Technology College are:

- 51310 Wyvern Technology College (Wheelers Travel)

There is **no expectation that a student owns or carries a smartphone** device to use the QR code, as the passes can be printed.

Students should keep their personal QR code bus pass with them and have it ready to scan when they get on the bus.

All passes have already been emailed home by the Council. If you haven't received the email, please check your spam or junk folder. The email is from an @shuttleid.uk email address.

School have been given all QR codes and can provide a copy if required.

If you have not received the email containing your child's QR code or have any other questions, you can contact the Council using the link below:
