Action Plan for Risk Assessment

Action Plan to be completed based on the findings of the risk assessment. The following actions are to be undertaken to reduce the risk level as far as reasonably practical and to ensure that all of the standard controls and local arrangements are in place.

No	Hazard not fully controlled	Performance Status	Action required	Person Responsible	Target Date	Date of Completion
		Imminent				
		High				
		Medium				
		Low				
Very low						
Responsible Manager			Signature		Date
