Statement from Xelabus:

"We have been in consultation with all schools and colleges we run buses to, to ensure Xelabus will provide efficient but most of all a safe environment for travelling. Our drivers have returned to work and undergone a return to work induction. Buses are deep cleaned each evening and our vehicles have screens for drivers and sanitiser for customers to use. We have safety notices on each bus and again would ask all customers to read these"

Xelabus timetables:
