12th March 2021

Dear Parent/Carer

I am delighted that your child has been given a place at Wyvern College for September 2021. My staff and I are really looking forward to working with them and also with you.

We know that it is very important to their success that they have a good start, and that an effective “transition” from year 6 to year 7 is needed to secure this start. Once we have some clarification from the government about the easing of Covid restrictions, we will be in touch to confirm the events and activities that make up this transition.

We know that you have not yet been able to visit the college to see it in action, but at this moment in time we cannot commit to any tours due to the restrictions, but we may be able to review this in the future. In the meantime, we have uploaded some information on our website which can be found here <https://www.wyverncollege.org.uk/new-intake-resources/> This includes:

- **A virtual tour of the College**, which we undertook for the intake children last year and is narrated by the current Pastoral Leader for year 7
- A PowerPoint presentation of '**A day at Wyvern and important locations**'. This will give your child an insight into how their day will look and where to find certain locations
- A **video question and answer session**, based on questions submitted by the Year 6 children last year
- A **student frequently asked question sheet**
- A **parent frequently asked question sheet**

Our intake day for year 7 is scheduled for Tuesday 6th July 2021, but this will be subject to us being able to do this safely and in line with the guidance. The day is followed by a Parents' evening which will commence on the same day at 6 p.m., we ask you to keep this date free as it will be an opportunity to meet me and many of my staff, to receive important information and to ask questions.

Continued overleaf ...

If you no longer require your place, please can you contact our Admin Co-ordinator to advise her of this? Mrs Bowler will also be able to answer any questions you may have too. She can be contacted via email s.bowler@wyvern.hants.sch.uk

With best wishes to you and your family.
